AUTOMATIC SWING DOOR OPERATOR

CASD-OW-150

₹ : 70000.00

Features

- The automatic door of this model are the 3rd generation single-opened one-way buried doors developed by our company.
- They are characterized by small volume, low noise at running, easy installation, and stable performance etc.
- The door is to be driven by the brush less DC motor, which has a long service life and responds rapidly. This is fully embodied in the anti-trap function of the door.
